Christian Parenting of Young Children: Nurturing the Soul of Your Family

Join us at 8:00 p.m. monthly on the third Thursday via Zoom.

This class is open to all parents of young children. We try to focus our time together around issues of parenting and nurturing our children. Equally as important, this is a time for parents to come together to support each other in our faith and life. Details of each class will be announced in the preceding week's bulletin.

Conveners: Sarah Haygood and Jenna Sykes

August 20: Healthy Technology Use (Kristi Nobmann)

We will discuss how to hold on to your children in a world of social media and technology by reviewing common rules and guidelines and how to incorporate them into your family. Additionally, I will provide seven tenets of why we need rules around social media and technology for children.

October 15: "Names for God" (Sara Dorrien-Christians)

November 19: At-Home Advent Practices (Anne Apple)
